PRESIDENT'S WELCOMING

Welcome to the 43nd Annual New Brunswick Foster Family Association Conference and Annual General Meeting.

My name is Nancy Galluchon, and I have had the privilege of serving as President of the New Brunswick Foster Family Association (NBFFA) since 2021. I want to express my heartfelt thanks for your hard work and dedication to the children in care. Each of you is truly special for opening your homes and showing unconditional love to these children every day.

I am incredibly proud to share this day with foster families, social workers, and government officials. Together, the NBFFA has worked closely with the Province of New Brunswick to support foster families and children in care, striving to create positive progress and foster meaningful change.

I hope you enjoyed and benefit from the presentations and discussions we have arranged for this weekend. I encourage you to connect with other foster families, representatives from the Department of Social Development, and our guests.

As president, I will continue working with directors from each region who represent all of you, ensuring that your voices are heard in our meetings with the Department of Social Development.
Wishing each of you a wonderful and enriching weekend.

Nancy Galluchon
